Date: October 04, 2008  
Time: 01:51:00 PM

Water conditions:

coloured

Weather:

windy,cold

Baits used:

done biosource the night before with a litre and a half of bottled water,and add biosource 3 hours before fishing to m&m mirco pellet,3mm m&m low feed pellet as feed,and 4 mm expander and 6 mm expander as hook baits

Feeding:

little and often with toss pot feeding a few mirco and 4 mm expander,switching between 4 mm and 6 mm as hook bait

Comments:

big thank you to biosource and m&m worms
