Winner's weight:
Date: October 13, 2008
Time: 09:00:54 AM

Water conditions:

Chicago River, probably mid to upper 60s F, quite colored, very low current flow.

Weather:

Unseasonably warm and sunny

Baits used:

Used dilute (15ml to 1l) Biosource as the liquid in method mix, soaked cooked maize in the same.

Feeding:

Comments:

Had three fish in the 20lb range v.s. none for my fishing partner.
